

Re-forwarding of receipt

In accordance with the new GDPR, a forwarding of a receipt will be within the scope of personal data.

Therefore, we refer you to contact us through our e-mail with picture ID, phone number, address and other information to locate the ride.

Picture ID is required as information about trip history and other sensitive data, that we are under obligation to protect for our customers, may be involved.

It is therefore necessary that you fill out the form below and send it as well as attached picture ID in form of passport or driver's license to taxa@taxa.dk.

If you paid with creditcard we ask you to fill out the last four digits of your card number.
